

FIG. 1

FIG. 5

FIG. 6

Technical drawing of a mechanical assembly, showing two views: a top view (left) and a side cross-sectional view (right).

Top View (Left):

- 38: Central rectangular plate or component.
- 32: Central circular feature or opening.
- 44: Four circular features arranged around the central opening.
- 45: Outer rectangular frame or housing.
- 57: Central opening in the frame.
- 50: Outer boundary of the assembly.
- 24: Dimension line indicating width.
- 22: Dimension line indicating height.

Side Cross-sectional View (Right):

- 38: Central rectangular plate or component.
- 32: Central shaft or rod passing through the assembly.
- 48: Component at the top of the shaft.
- 54: Component below the top part of the shaft.
- 55: Component below the middle part of the shaft.
- 50: Outer boundary of the assembly.
- 52: Component at the bottom of the shaft.
- 64: Component at the very bottom of the shaft.
- 66: Component at the bottom of the frame.
- 68: Component at the bottom of the frame.
- 24: Dimension line indicating width.
- 22: Dimension line indicating height.
- 36: Component on the left side of the frame.
- 44: Component on the right side of the frame.
- 57: Component on the right side of the frame.
- 62: Component on the right side of the frame.
